Frontend / Client-side: HTML5, CSS3, JavaScript, Bootstrap, Vue.js, React, Next.js, Responsive & Adaptive Design, Cross-browser Compatibility

CMS / Platforms / Integrations: WordPress (custom themes, plugins, APIs), CRM (Zoho, Salesforce, Airtable, Monday), Third-party API Integrations, Webhooks

Cloud / DevOps / Tools: AWS (EC2, S3, Lambda, RDS, etc.), Git / GitHub / Git Flow, CI / CD (automations, pipelines), Docker (if applicable)

Other / Soft Skills: Agile / Scrum, Project Management tools (e.g. Jira, Trello, Asana), Code Reviews, Problem Solving, Communication, Time & Task Management, Team Leadership

Professional Experience

Bevatel — Full Stack Laravel Developer (2022 – Present)
• Developed, maintained, and optimized Laravel-based web applications and RESTful APIs for CRM and telephony solutions.
• Integrated AWS services to enhance performance, scalability, and reliability.
• Led cross-functional collaboration between product, UI/UX, QA, and operations teams to implement new features, UI enhancements, and bug fixes.
• Built and maintained VoIP-enabled CRM (call.bevatel.com) and database portal (db.bevatel.com) with AWS integration.

Webs Care — Frontend & Web Developer (2019 – 2022)
• Designed and built responsive web interfaces using HTML, CSS, JS, Bootstrap.
• Developed custom WordPress websites, plugins, and modules integrating APIs.
• Ensured cross-browser compatibility, mobile responsiveness, and optimized performance.

FILES Technologies — Frontend & Web Developer (2014 – 2017)
• Implemented dynamic interfaces and backend modules using Laravel and PHP.
• Collaborated with teams to optimize workflows and ensure responsiveness.
• Customized WordPress sites ensuring seamless UX across devices.

Education

Bs (Hons) Software Engineering
University of Sargodha, Pakistan — 2013

Certifications

• AWS Certified Cloud Practitioner — Amazon Web Services (AWS)
• Google Developer Certificate — Google

Language Skills

• English — Professional / Fluent (C1)
• Urdu — Native

Selected Projects

• **call.bevatel.com** — VoIP / CRM solution: telephony integration, analytics, AWS deployment
• **db.bevatel.com** — Enterprise data portal: secure access, search, backup, roles & permissions
• **webscare.com** — E-commerce platform built with WordPress + custom modules, payment gateway integration

Additional Information

• GitHub: github.com/saadrauf1875
• Technical Tools: PHP, JavaScript, Python (basics), HTML5, CSS3, SQL
• Frameworks / Libraries: Laravel, React.js, Next.js, Vue.js, Bootstrap
• Cloud / DevOps: AWS, Git, CI/CD (basic pipelines)
• CMS / APIs: WordPress, REST APIs, Zoho / Salesforce / Airtable integrations
